Verse 1:

C	G	C	F	
The	nights	are	col-der now	
Am	Am7	F	(2,3,4 1,2)	
Maybe	I	should	close the door	
	C	G7	Am	
And	anyway	the	snow has covered all your footsteps	
F	G	(2,3,4)		
And	I	can	follow you no more.	
C	G	C	F	
The	fire	still	burns at night	
Am	Am7	F	(2,3,4 1,2)	
My	memories	are	warm and clear	
	C	G7	F	
But	everybody	knows	it's hard to be a-lone	
C	G7	C(3)	F(1)	C(1)
At	this	time	of year.	

Chorus:

{tacet}	C(G)	G7	(2,3,4)
It	was	only	a winter's tale,
C	F	(2,3)	
Just	another	winter's	tale.
C	F		
And	why	should	the world take notice,
C	G	(2,3)	
Of	one	more	love that's failed.
C	G7		
It's	a	love	that can never be,
C	F		
Though	it	meant	a lot to you and me.
C			
On	a	world-wide	scale,
G	G7	C	
We're	just	another	winter's tale.
