Verse 1:

F **C** **F** **Bb**
 The nights are col-der now

Dm **Dm7** **Bb** (2,3,4 1,2)
 Maybe I should close the door

 And anyway the snow has covered all your footsteps

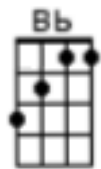

Bb **C** (2,3,4)
 And I can follow you no more.

F **C** **F** **Bb**
 The fire still burns at night

Dm **Dm7** **Bb** (2,3,4 1,2)
 My memories are warm and clear

F **C7** **Bb**
 But everybody knows it's hard to be a-lone

F **C7** **F** (2,3) **Bb** (1) **F** (1)
 At this time of year.

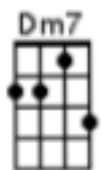

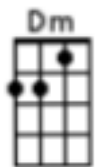

Chorus:

{tacet} **F**(**C**) **C7** (2,3,4)
 It was only a winter's tale,

 Just another winter's tale.

 And why should the world take notice,
F **C** (2,3)
 Of one more love that's failed.

 It's a love that can never be,

 Though it meant a lot to you and me.
