

# All Time High (by Rita Coolidge)

(from the James Bond film 'Octopussy')

## First note to sing: D

**G** All I wanted was a sweet distraction for an hour or two.

**C** Had no int-ention to do the things we've done.

**G** Funny how it always goes with love, when you don't look, you find.

**C** But then we're two of a kind, we move as one.

**E** We're an all time high,

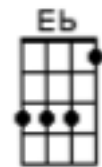

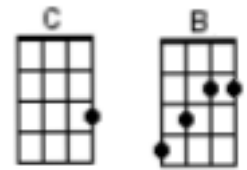

**A** We'll change all that's gone before.

**F#m** Doing so much more than falling in love.

**E** On an all time high,

**A** We'll take on the world and wait.

**F#m** So hold on tight, let the fight be-gin.

**G** I don't want to waste a waking moment; I don't want to sleep.

**C** I'm in so strong and so deep, and so are you.

**G** In my time I've said these words before, but now I realise

**C** My heart was telling me lies, for you they're true.

**E** We're an all time high,

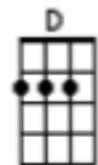

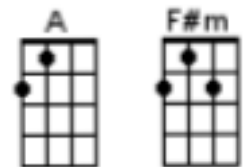

**A** We'll change all that's gone before.

**F#m** Doing so much more than falling in love.

**E** On an all time high,

**A** We'll take on the world and wait.

**F#m** So hold on tight, let the fight be-gin.

**F#m** So hold on tight, let the fight begin..

**E** We're an all time high.
