

# As With Gladness Men Of Old

First notes to sing: G F# G A G C C B

## Verse 1:

G C G  
As with gladness men of old  
C G D G  
Did the guiding star be-hold  
G C G  
As with joy they hailed its light  
C G D G  
Leading onward, beaming bright  
G D G  
So most gracious God may we  
C G D G  
Ever-more be led to Thee.

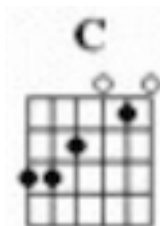

C(2) G(2) D(2) G(1)

## Verse 2:

G C G  
As with joyful steps they sped  
C G D G  
Saviour to thy lowly bed  
G C G  
There to bend the knee be-fore  
C G D G  
Him whom heav'n and earth a-dore  
G D G  
So may we with willing feet  
C G D G  
Ever seek Thy mercy seat.

C(2) G(2) D(2) G(1)

## Verse 3:

G C G  
As they offered gifts most rare  
C G D G  
At that manger rude and bare  
G C G  
So may we with holy joy  
C G D G  
Pure and free from sin's al-loy  
G D G  
All our costliest treasures bring  
C G D G  
Christ to Thee, our heav'nly King.

C(2) G(2) D(2) G(1)

**Verse 4:**

**G**                    **C**            **G**  
Holy Jesus ev'ry day  
**C**            **G**            **D**            **G**  
Keep us in the narrow way  
**G**                                    **C**                    **G**  
And when earthly things are past  
**C**                    **G**                    **D**                    **G**  
Bring our ransomed souls at last  
**G**                                    **D**                    **G**  
Where they need no star to guide  
**C**                    **G**                    **D**                    **G**  
Where no clouds Thy glory hide.

**C(2) G(2) D(2) G(1)**

**Verse 5:**

**G**                                    **C**                    **G**  
In that heav'nly country bright  
**C**                    **G**                    **D**                    **G**  
Need they no cre-ated light;  
**G**                                    **C**                    **G**  
Thou its Light, its Joy, its Crown,  
**C**                    **G**                    **D**                    **G**  
Thou its Sun which goes not down;  
**G**                                    **D**                    **G**  
There for ever may we sing  
**C**                    **G**                    **D**                    **G**  
Halle-lujahs to our King.
