

# Buttons and Bows (as sung by Dinah Shore)

First note to sing: C

C  
East is east and west is west

C  
And the wrong one I have chose

F C  
Let's go where I'll keep on wearin'

F C F C  
Those frills and flowers and buttons and bows

F C G C  
Rings and things and buttons and bows

C  
Don't bury me in this prairie

C  
Take me where the cement grows

F C  
Let's move down to some big town

F C F C  
Where they love a gal by the cut of her clothes

F C G C  
And I'll stand out in buttons and bows

C  
I'll love you in buckskin

G  
Or skirts that I've home-spun

C G  
But I'll love you longer, stronger where

D G  
Your friends don't tote a gun

C  
My bones denounce the buckboard bounce

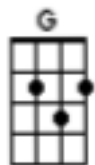

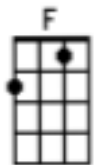

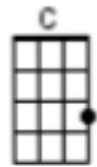

C  
And the cactus hurts my toes

F C  
Let's vamoose where gals keep usin'

F C F C  
Those silks and satins and linen that shows

F C G C  
And I'm all yours in buttons and bows

(x2)
