## Vocal prompts in Green

**Verse 1:** (Male singers)

(C) (A) F(C)

You were working as a waitress in a cocktail bar

When I met you

I picked you out, I shook you up, and turned you a-round

Turned you into someone new

Now five years later on you've got the world at your feet

Success has been so easy for you

But don't forget it's me who put you where you are now

And I can put you back down too.

**Chorus:** (All)

Don't, don't you want me?

You know I can't believe it when I hear that you won't see me

Don't, don't you want me?

You know I don't believe you when you say that you don't need me

It's much too late to find

You think you've changed your mind

You'd better change it back or we will both be sorry.
