

I'll See You In My Dreams (Joe Brown)

First note to sing:

Intro:

Verse 1:

Though the days are long ... twilight sings a song

Of the happi-ness that used to be.

Soon my eyes will close, soon I'll find repose,

And in dreams, you're al-ways near to me.

Chorus :

I'll see you in my dreams...

Hold you in my dreams

Some-one took you out of my arms

Still I feel the thrill of your charms

Lips that once were mine...

Ten-der eyes that shine

They will light... my way to-night

I'll see you in my dreams.

Instrumental:

I'll see you in my dreams...

Hold you in my dreams

Some-one took you out of my arms

Still I feel the thrill of your charms

Lips that once were mine...

Ten-der eyes that shine

They will light... my way to-night

I'll see you in my dreams.

Outro:

They will light... my lonely way to-night

I'll see you in my dreams.
