

I'm Going to be a Country Girl Again

(by Buffy St Marie)

Notes to sing in green

C(G)
 The rain is falling lightly on the buildings and the cars,
C
 I've said goodbye to city friends, de-partment stores and bars,
F **C7** **C7**
 The lights of town are at my back, my heart is full of stars,
G **C**
 And I'm gonna be a country girl a-gain.

Chorus:

C(C) **F** **C**
 Oh yes I'm gonna be a country girl a-gain.
C **C** **C** **G7**
 With an old brown dog, and a big front porch, and rabbits in the pen.
C7 **C7** **F** **F**
 I tell you all the lights on Broadway don't a-mount to an acre of green.
C **G7** **C**
 And I'm gonna be a country girl a-gain.

C(G)
 I've spent my time in study, oh I've taken my degree,
C **C7**
 I've memorised my formulae, my A's and B's and C's,
F **C**
 But what I've learned came long ago, and not from such as these,
G **C**
 And I'm gonna be a country girl a-gain.

Chorus:

C(G)
 I've wandered through the hearts of men, searchin' for a sign,
C **C7**
 That here I might find happiness, I might find peace of mind,
F **C**
 The one who taught my lesson was the south wind through the pines,
G **C**
 And I'm gonna be a country girl a-gain.

Chorus:

G **C** **G7** **C**
 And I'm gonna be a country girl a-gain.
