Verse 2:

Make be-lieving... we're together,
That I'm sheltered... by your heart
But in and outside... I've turned to water,
Like a teardrop... in your palm
And it's a hard... winter's day, I dream a-way

Chorus:

It must have been love, but it's over now
It was all that I wanted, now I'm living with-out
It must have been love, but it's over now
It's where the water flows, it's where the wind blows

Chorus:

It must have been love, but it's over now
It must have been good, but I lost it some-how
It must have been love, but it's over now
From the moment we touched, till the time had run out.
