

# It's Getting Better (The Mamas & The Papas)

## First notes to sing in Green

**C(C)** **G**  
Once I believed that when love came to me  
**C** **G**  
It would come with rockets, bells and poetry  
**Am**  
But with me and you,  
**F** **G**  
It just started quietly and grew.  
**C** **F**  
And believe it or not,  
**C** **F**  
Now there's something groovy and good,  
**C**  
'bout whatever we got.

**(C)** **N/C** **F**  
And it's getting better,  
**G** **C**  
Growing stronger.  
**C** **F**  
Warm and wilder,  
**C** **F** **G** **C** **F** **G**  
Getting better every-day, better every-day.

**C(C)** **G**  
I don't feel all turned on and starry eyed  
**C** **G**  
I just feel a sweet contentment deep inside  
**Am**  
Holding you at night  
**F** **G**  
Just seems kind of natural and right  
**C** **F**  
And it's not hard to see  
**C** **F** **C**  
That it isn't half of what it's going to turn out to be.
