First notes to sing: G C C C D E D E F G

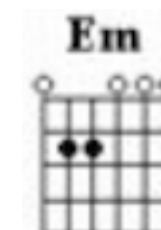

Verse 1:

C F C G
Oh little town of Bethle-hem
F G C
How still we see thee lie
C F C G
A-bove thy deep and dreamless sleep
F G C
The silent stars go by
Em Am
Yet in thy dark streets shineth
F G
The everlasting light
C F C G
The hopes and fears of all the years
F G C
Are met in thee to-night.

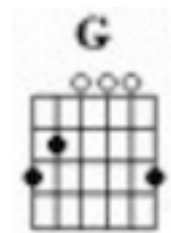

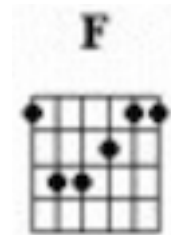

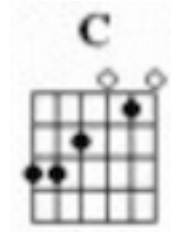

Verse 2:

C F C G
Oh morning stars, toge-ther
F G C
Pro-claim the holy birth!
C F C G
And praises sing to God the King,
F G C
And peace to all on earth.
Em Am
For Christ is born of Mary
F G
And gathered all a-bove,
C F C G
While mortals sleep the angels keep
F G C
Their watch of wondering love.

Verse 3:

C F C G
How silent-ly, how silent-ly,
F G C
The wondrous gift is given;
C F C G
So God im-parts to human hearts
F G C
The blessings of His heaven.
Em Am
No ear may hear His coming,
F G
But in this world of sin,
C F C G
Where meek souls will re-ceive Him, still
F G C
The dear Christ enters in.

Verse 4:

C F C G
Oh holy child of Bethle-hem,
F G C
Des-cend on us we pray;
C F C G
Cast out our sin and enter in
F G C
Be born in us to-day.
Em Am
We hear the Christmas angels,
F G
Their great glad tidings tell,
C F C G
Oh come to us, a-bide with us,
F G C
Our Lord, Emm-anu-el.
