

Oh Little Town of Bethlehem

First notes to sing: D G G G A B A B C D

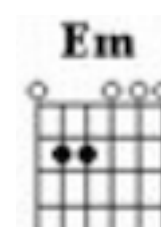

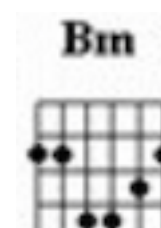

Verse 1:

G C G D
Oh little town of Bethle-hem
C D G
How still we see thee lie
G C G D
A-bove thy deep and dreamless sleep
C D G
The silent stars go by
Bm Em
Yet in thy dark streets shineth
C D
The everlasting light
G C G D
The hopes and fears of all the years
C D G
Are met in thee to-night.

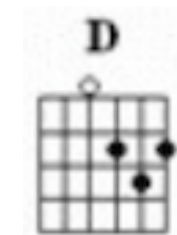

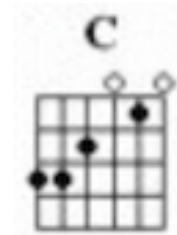

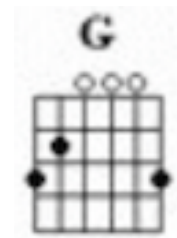

Verse 2:

G C G D
Oh morning stars, toge-ther
C D G
Pro-claim the holy birth!
G C G D
And praises sing to God the King,
C D G
And peace to all on earth.
Bm Em
For Christ is born of Mary
C D
And gathered all a-bove,
G C G D
While mortals sleep the angels keep
C D G
Their watch of wondering love.

Verse 3:

G C G D
How silent-ly, how silent-ly,
C D G
The wondrous gift is given;
G C G D
So God im-parts to human hearts
C D G
The blessings of His heaven.
Bm Em
No ear may hear His coming,
C D
But in this world of sin,
G C G D
Where meek souls will re-ceive Him, still
C D G
The dear Christ enters in.

Verse 4:

G C G D
Oh holy child of Bethle-hem,
C D G
Des-cend on us we pray;
G C G D
Cast out our sin and enter in
C D G
Be born in us to-day.
Bm Em
We hear the Christmas angels,
C D
Their great glad tidings tell,
G C G D
Oh come to us, A-bide with us,
C D G
Our Lord, Emm-anu-el.
