G C F G
Red red wine
G C F G
Go to my head
G C F G
Make me for-get that I...

I still love her so

G C F G
Red red wine
G C F G
It's up to you
G C F G
All I can do I've done
G C G
But memories won't go
G C
Old memories won't go

C G C
I'd have thought that with time
F C
Thoughts of you would leave my head
C G C
I was wrong, now I find
F G
(Just) one thing makes me for-get

G C F G
Red red wine
C F G
Stay close to me
C F G
Don't let me be a-lone
C G
It's tearing a-part
C
My blue, blue heart.
