

Sometimes When We Touch (Dan Hill)

First note to sing: C# (Chorus C#, octave higher)

Intro: A D E A A (as first line of verse)

Verse 1:

(C#)A (E) (A)(E)D (F#) E A
 You ask me if I love you, and I choke on my re-ply
 C#m F#m B E
 I'd rather hurt you honestly than mis-lead you with a lie.
 Bm E A C#m F#m
 And who I am to judge you, on what you say or do?
 D A B E
 I'm only just beg-inning to see the real you.

Chorus:

A D E C#m
 And sometimes when we touch the honesty's too much
 F#m B E
 And I have to close my eyes and hide.
 A D E C#m
 I wanna hold you till I die, till we both break down and cry.
 Bm E A
 I wanna hold you till the fear in me sub-sides.

Verse 2:

A D E A
 Rom-ance and all its strategy leaves me battling with my pride
 C#m F#m B E
 But through the in-security, some tenderness sur-vives
 Bm E A C#m F#m
 I'm just another writer, still trapped with-in my truth
 D A B E
 A hesitant prize fighter still trapped within my youth.

Chorus:

A D E C#m
 And sometimes when we touch the honesty's too much
 F#m B E
 And I have to close my eyes and hide.
 A D E C#m
 I wanna hold you til I die, till we both break down and cry.
 Bm E A
 I wanna hold you till the fear in me sub-sides.

Bridge:

E(B) **A**
 At times I'd like to break you and drive you to your knees

 At times I'd like to break through and hold you endless-ly.

Verse 3:

A **D** **E** **A**
 At times I under-stand you and I know how hard you've tried
C#m **F#m**
 I've watched while love com-mands you
B **E**
 And I've watched love pass you by

 At times I think we're drifters still searching for a friend

 A brother or a sister, but then the passion flares a-gain.
