

Then I Kissed Her (by The Beach Boys)

First note to sing: D

Well, I walked up to her and I asked her if she wanted to dance.

She looked awful nice and so I hoped she might take a chance.

When we danced I held her tight,

Then I walked her home that night.

And all the stars were shining bright, and then I kissed her.

Each time I saw her I couldn't wait to see her a-gain.

I wanted to let her know that I was more than a friend.

I didn't know just what to do.

And so I whispered, 'I love you'.

And she said that she loved me too, and then I kissed her.

I kissed her in a way that I'd never kissed a girl before.

I kissed her in a way that I hoped she'd like for ever-more.

I knew that she was mine so I gave her all the love that I had.

Then one day she'll take me home to meet her mom and her dad.

Then I asked her to be my bride, and always be right by my side.

I felt so happy that I almost cried, and then I kissed her.

And then I kissed her.

And then I kissed her.
