Outro: **B C D B C D B C D B**

Notes: Guitar Tango was originally written and played in **D Major**. I've tabbed this ukulele version in the Key of **G Major**. This means the chord shapes and the fingering are the same as the guitar version.

This is based on a **I-IV-V-VIm** chord progression with a **III** (**G-C-D-Em+B**)

Alternative fingering:

If you prefer use this fingering based around the first position chords...

Remember, when you come across the number 4 on the **C string (E)**, you can instead play the **E** string as an open note.
