## First notes to sing in Green

### Verse 1:

(C) (D) C (E)

I can see a new expression on my face

I can feel a glowin' sensation taking place

I can hear the guitars playing, lovely tunes

Every-time that you, walk in the room.

### Verse 2:

I close my eyes for a second and pretend it's me you want

Meanwhile I try to act so nonchal-ant

I see a summer night with a magic moon on

Every-time that you, walk in the room.

**Bridge:**

**F** **Em** **G**  
Standing right along-side of you  
**C** **Am**

But I only have the nerve to stare.
