**C(E)**                    **Dm**                    **G**                    **C**  
 Which way you goin' Billy?... can I go, too?  
                                  **Dm**                    **G**                    **G7**                    **C**  
 Which way you goin' Billy?... can I go with you?  
**C**                    **Dm**                    **G**                    **Am**                    **F**  
 I really love you, Billy... and all this time.  
**F**                    **Am**                    **G**                    **G7**                    **C**  
 I thought you loved me, Billy... and you were mine.  
**C**                    **Dm**                    **G**                    **Am**                    **F**  
 I'm gonna miss you, Billy... and though I'm trying.  
**F**                    **Am**                    **G**                    **G7**  
 I'm hurting so bad, Billy... I can't help crying.

### Chorus:

**F(A)**                    **C**                    **(1)** **Dm**                    **G**                    **C**                    **(1)** **Dm**  
 You are my whole, babe... my heart and my soul, babe.  
                                  **G**                    **C**                    **(2)** **F**                    **C**  
 I'd have nothing to show, babe... if you should go away.  
  
**F(A)**                    **C**                    **(1)** **Dm**                    **G**                    **C**                    **(1)** **Dm**  
 You are my whole, babe... my heart and my soul, babe.  
                                  **G**                    **C**                    **(2)** **F**                    **C**                    **(3)**  
 I'd have nothing to show, babe... if you should go.

### Verse 2:

**C**                    **Dm**                    **G**                    **C**  
 Which way you going, Billy?... or need I ask?  
                                  **Dm**                    **G**                    **G7**  
 Cause you don't want me, Billy... you're free at last.  
**C**                    **Dm**                    **G**                    **Am**  
 I won't for-get you, Billy... for all my life.  
**F**                    **Am**                    **G**                    **G7**  
 I'll always love you, Billy... I'll stay your wife.

**Chorus:**

F(A) C (1) Dm G C (1) Dm  
 You are my whole, babe... my heart and my soul, babe.  
 G C (2) F C  
 I'd have nothing to show, babe... if you should go away.

F(A) C (1) Dm G C (1) Dm  
 You are my whole, babe... my heart and my soul, babe.  
 G C (2) F C  
 I'd have nothing to show, babe... if you should go.

**Outro:**

F(A) C (1) Dm G C (1) Dm  
 You are my whole, babe... my heart and my soul, babe.  
 G C (2) F C (4)  
 I'd have nothing to show, babe... if you should go.
